11. (SBU) Post attempted to contact FM Saud Al-Faisal on June 19 to deliver ref a demarche. He is currently on vacation in an intentionally remote location. We delivered demarche by diplomatic note directly to the FM's Chief of Staff, who agreed to forward to the FM. Please note that Post delivered the related demarche contained in ref b directly to U/S for Political Affairs HH Prince Turki on June 12 (see ref c).
